# We Will Speak Out U.S.

## Pledge Against Sexual and Gender Based Violence

*I recognize rape, abuse and other forms of gender based violence are happening in my community, in my school and in my church/synagogue/mosque/faith community. Ignoring the problem only perpetuates it. We must unite and raise our voices. This is our pledge:*

- We will speak out. We will be silent no more.**
- We stand together** in solidarity with the most vulnerable.
- We dedicate ourselves** to finding lasting solutions.
- We will promote** laws that model, protect and promote justice, enable healthy relationships... and challenge those that don't.
- We will work** to ensure that these laws are enforced.
- We commit** to take action together to see all girls, women, boys and men freed from the threat and impact of sexual violence across the world.
