

We Will Speak Out Pledge Litany

One: We recognize that rape, abuse, and other forms of gender-based violence are happening in our community, in our schools, and in our Church; knowing that ignoring the problem only perpetuates it, we must unite and raise our voices.

One: We will speak out.

Many: We will be silent no more.

One: We stand together...

Many: in solidarity with the most vulnerable.

One: We dedicate ourselves...

Many: to finding lasting solutions.

One: We will promote...

Many: laws that model, protect and promote justice, enable healthy relationships and challenge those that don't.

One: We will work...

Many: to ensure that these laws are enforced.

One: We commit to take action together...

Many: to see all girls, women, boys and men freed from the threat and impact of sexual violence across the world.
